G. Ferneyhough, State Veterinarian, of work done by him under the direction of the State Live Stock Sanitary Board in Connection with controlling and eradicating an outbreak of Foot and Mouth Disease, which was introduced into the State during the fall of 1914, causing us to prescribe and enforce certain quarantine rules and regulations from the above mentioned date until March 31, 1916. In consideration of the fact that while some of the other States into which this disease was introduced spent from one to several million dollars in eradicating the same, and that none of them spent less than seventy-five thousand dollars, except the State of Virginia, which spent only \$13,854.92, I feel that we were extremely fortunate, and the results thus most gratifying and encouraging. Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
