POPULATION AGEING IN INDIA

Cambridge University Press, New Delhi, India, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. A major emerging demographic issue of the twenty-first century is the ageing of populations as an inevitable consequence of the demographic transition experienced by most countries. While all countries are experiencing growing proportions of the elderly developing countries are currently ageing faster than developed countries. Population Ageing in India creates a holistic research base by looking at the demographics of the ageing population and reviewing...
