## Modular Consciousness: The Key That Unlocks Personality, Marital Conflict, Drug Seeking, Spirituality, and Religion 2015

By Bruce Eldine Morton

Megalith Books, United States, 2015. Paperback. Book Condition: New. 226 x 153 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The usual belief about consciousness is that it is single. Here, the confirmation that the brain consists of several powerful self-conscious modules operating within a dominance hierarchy requires a paradigm shift in our thinking. Importantly, some of these ancient brain elements are not accessible to that self-conscious module who we think we are. This transformational change of context opens to us the understanding many previous mysteries of the mind, misunderstanding of which have long caused massive human suffering and death. One of these modules, has mutated within historic time from a valuable developmental arrest repair program (DARP) into a now misguided automaton related to Tolle's Pain Body. This xDARP is the unwitting source of escalating marital conflicts leading to divorce, crimes of passion, and injury to children, dooming the next generation to repeat the cycle. Another self-conscious brain module operating outside of normal awareness is the social brain Source. Competing with the antisocial, self-survival routines of the Reptile Brain, the Source utilizes group-survival logic. Under severe circumstances, the cerebrum, site of our normal consciousness, begins to...
