Quadrille Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Everything Alice: The Wonderland Book of Makes, Hannah Read-Baldrey, Christine Leech, Everything Alice is a truly enchanting collection of 50 craft projects to make, bake and decorate. With each of the ideas magically brought to life by crafters Hannah Read-Baldrey and Christine Leech, the projects range from the supremely simple yet highly effective fabric-covered teapot planters to the wonderfully scented candles that fill china teacups and exquisite jewellery made from tiny dolls' house teaset. Alice's fantastical adventures in Wonderland provide the inspiration for each of the 50 makes, including a hand-sewn Humpty Dumpty doorstop and Cheshire Cat hand warmers, decorative playing card bunting and a shadow puppet theatre. Whilst the projects take the 'Alice in Wonderland' tales as their starting point, they all stand alone as gorgeous items in their own right. Choose from the irresistible beaded napkin rings made in the initials of each of your guests, the lavender-scented velvet dormice and an assortment of beautifully decorated cupcakes. The ideas and instructions for the makes are interspersed with instructions for fun party games and snippets of Wonderland lore, such as How to Become a QueenA", How to Run a Caucus RaceA" and How to Play Musical ChairsA". So follow Hannah and Christine down the rabbit hole into a genuine Wonderland of adorable craft ideas.
