

Compare Contrast: Teaching Comparative Thinking to Strengthen Student Learning

By Harvey F. Silver

Association for Supervision & Curriculum Development. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 10.8in. x 8.5in. x 0.2in. You're holding a new kind of professional development tool called a Strategic Teacher PLC Guide. Designed in partnership with more than 75 schools, Strategic Teacher PLC Guides make the important work of bringing high-impact, research-based instructional practices into every classroom easier than ever before. Each guide focuses on one strategy from the bestselling ASCD book *The Strategic Teacher: Selecting the Right Research-Based Strategy for Every Lesson* and serves as a complete professional development resource for a team of teachers (or professional learning community) to learn, plan, and implement the strategy in their classrooms. This guide focuses on Compare and Contrast, a critical thinking strategy unique in its capacity to build students memories, eliminate confusion, and highlight crucial similarities and differences. Research shows that comparative thinking strategies are the single most effective way to improve student learning. Compare and Contrast takes the natural human capacity to make comparisons and maximizes its effectiveness by leading students through a four-phase learning process that involves Describing each item separately using criteria. Capturing key similarities and differences on a comparison organizer. Forming and discussing generalizations and conclusions....
