

# The Homeschooling Movement in the United States of America

By Lena Saliger

GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.3in. x 5.5in. x 0.3in. Seminar paper from the year 2007 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1, 0, University of Education Heidelberg, course: Developing Advanced Writing Skills, language: English, abstract: Like a majority of people, the Connollys had never imagined homeschooling as something they would do. But by the time, their daughter Elise entered sixth grade they noticed a personality change. Her grades began to drop - first a little then a lot. The Connollys tried to talk about it with her, but Elise was distant and noncommunicative. When the school year ended, and they received her report card, the Connollys felt disappointed and discouraged about the education of their only daughter. They immediately telephoned the school, but everyone was out for the summer. Consequently, they had to solve the problem on their own. It was difficult because Elise rejected talking about school until she finally gave way to tears. She explained having problems with some of her peers and with the character of some of her teachers. The Connollys felt that there were elements like peer pressure and violence in the school environment they had...
