

Room for Just a Little Bit More

By Ehemann, Beth

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Five years ago, my dreams were shattered in an instant. One year ago, a horrible rainstorm flooded a bridge in town, leaving us with an Inn full of stranded travelers. Turns out one of those travelers would give me a whole new set of dreams, ones I never thought possible. Brody Murphy spent the last year teaching me what it was like to live, and more importantly love, again. Two days ago, he asked me to marry him, and if I'd said yes any faster, I would have interrupted the most romantic proposal ever offered. I can't wait to marry him and spend the rest of our lives spoiling our Twinkies. One year from now I'll be Mrs. Kacie Murphy, assuming everything goes nice and smooth.
