The Art of the Patent

By Kevin Prince

Glassco Press, United States, 2011. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Most patents are what you would expect from a government document: downright boring. Yet the drawings on some are absolutely amazing, with beautiful line-art drawings that show in stunning detail the inner workings of everything from farming machines to airplanes to rockets. Join us on a tour of some of the best patent drawings ever created, as well as a glimpse of some of our most historically significant patents, spanning over 200 years of patent art. Since patent draftsmen are not listed on patent documents, the artwork they create remains anonymous. This book brings out the best of those. With some interesting discussion on tools the draftsman use, and some of the more important patent drafting rules issued by the US Patent Trademark Office, this book will be appreciated by anyone interested in mechanical drawings, line-art illustrations, and fascinating milestones in patent history. Kevin Prince, an inventor and US Patent Agent, has collected a unique set of patent art over five years as a patent researcher, taking note along the way of those patents having exceptional artwork. Now...
