Nononsense Isis and Syria: The New Global War on Terror

By Phyllis Bennis

New Internationalist Publications Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 180 x 110 mm. Language: English . Brand New Book. From its sudden emergence as a military force to be reckoned with in Syria and Iraq in June 2014 through its YouTube executions of hostages to its atrocious attacks in Paris in November 2015, the movement variously known as ISIS, Islamic State and Daesh has compelled the world s horrified attention. Where did it come from and how on earth should we respond? This NoNonsense book aims to answer all the questions that people are asking - without jargon and in an easy-to-use FAQ format. It places ISIS in the broader context of the US-led war on terror from the Bush-Blair invasion of Iraq right through to Obama s drone attacks and makes a strong case for responses that build peace and justice rather than feeding the cycle of violence and terror.

Reviews

This composed ebook is wonderful. It really is writter in basic words rather than hard to understand. You may like the way the writer compose this pdf.

This book can be well worth a go through, and a lot better than other. It is writter in simple words and phrases and not confusing. Its been printed in an exceptionally simple way in fact it is merely right after i finished reading through this pdf by which basically changed me, modify the way i think.
