

Unlikely Collaboration: Gertrude Stein, Bernard Fay, and the Vichy Dilemma

By Will, Barbara.

Columbia Univ. Press. 1 Paperback(s), 2011. soft. Book Condition: New. In 1941, Jewish-American writer and avant-garde icon Gertrude Stein embarked on one of the strangest intellectual projects of her life, translating for American audiences the speeches of Marshal Philippe Pétain, head of the collaborationist Vichy government, in which he outlined the Vichy policy barring Jews and other "foreign elements" from the public sphere while calling for France to reconcile with Nazi occupiers. In this "fine-grained, unflinching, and nuanced history" (NYReview of Books), Stein scholar Barbara Will examines Stein's link to Bernard Faÿ, who was director of the Bibliothèque Nationale during the Vichy regime and overseer of the repression of French freemasons. 274.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
