*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Called the devil by her mother, she was not allowed to attend church on Sundays with her twin sister, Faith. At fifteen, Hope is wild. She no longer cares about her mother, or anyone else for that matter. When her mother kicks her out of the house, Hope spends several days homeless and alone--until she runs into an elderly blind prophetess named May. She offers Hope a gift from God: a new home where she is taught the true meaning of love, family, and God. When Hope meets Dante, a quirky yet attractive boy who visits with May every day, her life changes even more. With young love in the air, Hope feels like nothing can go wrong. But just when she thinks her life is perfect, she learns that May is dying of cancer. Hope must learn how to conquer her deepest fears and have faith that all things work together for the good of God. With everything she s experienced in her young life, will she be able to trust God?.
