The Intention Experiment: Using Your Thoughts to Change Your Life and the World

By Lynne McTaggart

SIMON SCHUSTER, United States, 2008. Paperback. Book Condition: New. Reprint. 212 x 138 mm. Language: English . Brand New Book. Drawing on the findings of leading scientists from around the world, The Intention Experiment demonstrates that thought is a thing that affects other things. Using cutting-edge research conducted at Princeton, MIT, Stanford, and many other prestigious universities and laboratories, The Intention Experiment reveals that the universe is connected by a vast quantum energy field. Thought generates its own palpable energy, which you can use to improve your life and, when harnessed together with an interconnected group, to change the world. In The Intention Experiment, internationally bestselling author Lynne McTaggart takes you on a gripping, mind-blowing journey to the furthest reaches of consciousness. As she narrates the exciting developments in the science of intention, she also profiles the colorful scientists and renowned pioneers who study the effects of focused group intention on scientifically quantifiable targets -- animal, plant, and human. McTaggart offers a practical program to get in touch with your own thoughts, to increase the activity and strength of your intentions, and to begin achieving real change in your life. You are then invited to participate in an unprecedented experiment: Using The...
