Unicorn Books, 2015. Paperback. Book Condition: New. This series has been designed to provide a quick and clutter-free access to ALL the important concepts of each chapter. These books give the proper exposure needed by a smart student to understand and master each chapter in accordance with the syllabus laid down by the CBSE guidelines without wastage of time. Efforts have been made to give the outline of each chapter, such as important formulae, rules and fundamentals at the beginning itself, so that the students can revise and brush up the concepts at the last minute as well. This book is written after extensive research and designed in such a manner that the students can know well in advance the process of writing an answer in the examination. This format further adds to the students' development by providing step-by-step marking scheme of CBSE, which allows the students to learn more about the specific steps, which otherwise most students ignore and, in the process, lose marks on. This book essentially simplifies the entire process required of a student after studying it in the class: Revision of the concepts ; Practice of each concept with examples ; Awareness of the potential trouble areas where marks are lost ;Correct way to properly answer a question Contents: Preface, Syllabus & Design of the Question Paper, 1.
