Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Excerpt: . . . objected to any increase of salaries while the revenues were in the condition they were. I have great hopes, therefore, that at the next session matters will have so adjusted themselves that both of these measures will be enacted into law. They have both been reintroduced into the present Congress, but this session was convened for a special purpose, and committees have not been called upon to consider other matters than the tariff, and we do not expect any action at this special session. I thought it due to you gentlemen to let you know just how these measures stand. Of course we were disappointed because we could have been doing a great many things in cooperation with you gentlemen we can not do now under existing law. Many of them we have frequently discussed. As to the programme of the conference it is proposed to discuss to-day a number of important subjects that have been engaging the attention of this bureau and have a relation not only to national but to state work, in which we are both interested and in which we can cooperate with one another. In bringing these subjects before the conference it is intended to inform you of what we have done, show the relation of our work to yours, and get any suggestions you may choose to give us. It is hoped that there will be as free a discussion as you choose to make. In accordance with the...
