

Western Civilization in a Global Context: Prehistory to the Enlightenment: Sources and Documents

By Kenneth L. Campbell

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Western Civilization in a Global Context: Prehistory to the Enlightenment: Sources and Documents, Kenneth L. Campbell, Western Civilization in a Global Context is a source collection that introduces a comparative element to the study of Western civilization, offering students an opportunity to explore non-Western perspectives. An interesting and provocative set of readings are included, from a range of primary sources, including official documents, historical writings, literary sources, letters, speeches, interviews as well as visual sources. These different sources are carefully selected with a view to generating class discussion and providing students with a sense of the different approaches historians might take to understanding the past. Volume I covers prehistory to the Enlightenment, including sources that offer insight into the political, social, religious, cultural and intellectual history of this period. Topics covered include: - The Rise of Rome - Byzantine Civilization - The Renaissance in Europe and China - Religious Reformation - European Expansion - The Scientific Revolution To aid student engagement and understanding, the book begins with a guide to using primary sources, includes questions for discussion throughout and concludes with a glossary of key terms. Western Civilization in a Global...
